

RIGHT **RIGHT WORKS** **TRADING ESTABLISHMENT**

A ONE STOP DESTINATION FOR ALL
INDUSTRIAL NEEDS

COMPANY OVERVIEW

Is a Leading provider of Industrial Hand Tools, CNC & Lathe Tools, Precision Tools, Power Tools, All kinds of Safety PPE, Lifting Equipments & Accessories. We offer High-Quality Industrial Fabrication services tailored to meet diverse project requirements dedicated to delivering High-Quality products that meet the rigorous demands of various industrial needs.

OUR MISSION

At Right Works Trading Est., our mission is to empower our clients by equipping them with the right tools for the job. We try to enhance productivity and efficiency through our wide range of industrial hand tools, ensuring that our customers can perform their tasks with precision and confidence.

QUALITY ASSURANCE

Quality is at the heart of everything we do. We rigorously test all our products to meet industry standards and exceed customer expectations. Our commitment to quality ensures that our clients receive tools that are safe, effective, and built to last.

Measuring & Precision Tools

Providing advanced measuring and precision instruments designed to deliver exceptional accuracy, consistency, and reliability for industrial and engineering applications. Our range supports quality inspection, calibration, machining, and production processes with trusted tools from leading industry brands.

- Vernier Caliper
- Vernier Caliper (Digital)
- Outside Micro Meter
- Magnetic Stand
- Dial Indicator
- Bore Gauge
- Micro Meter
- Inside Micro Meter

Brands We Deal

CNC & Cutting Tools

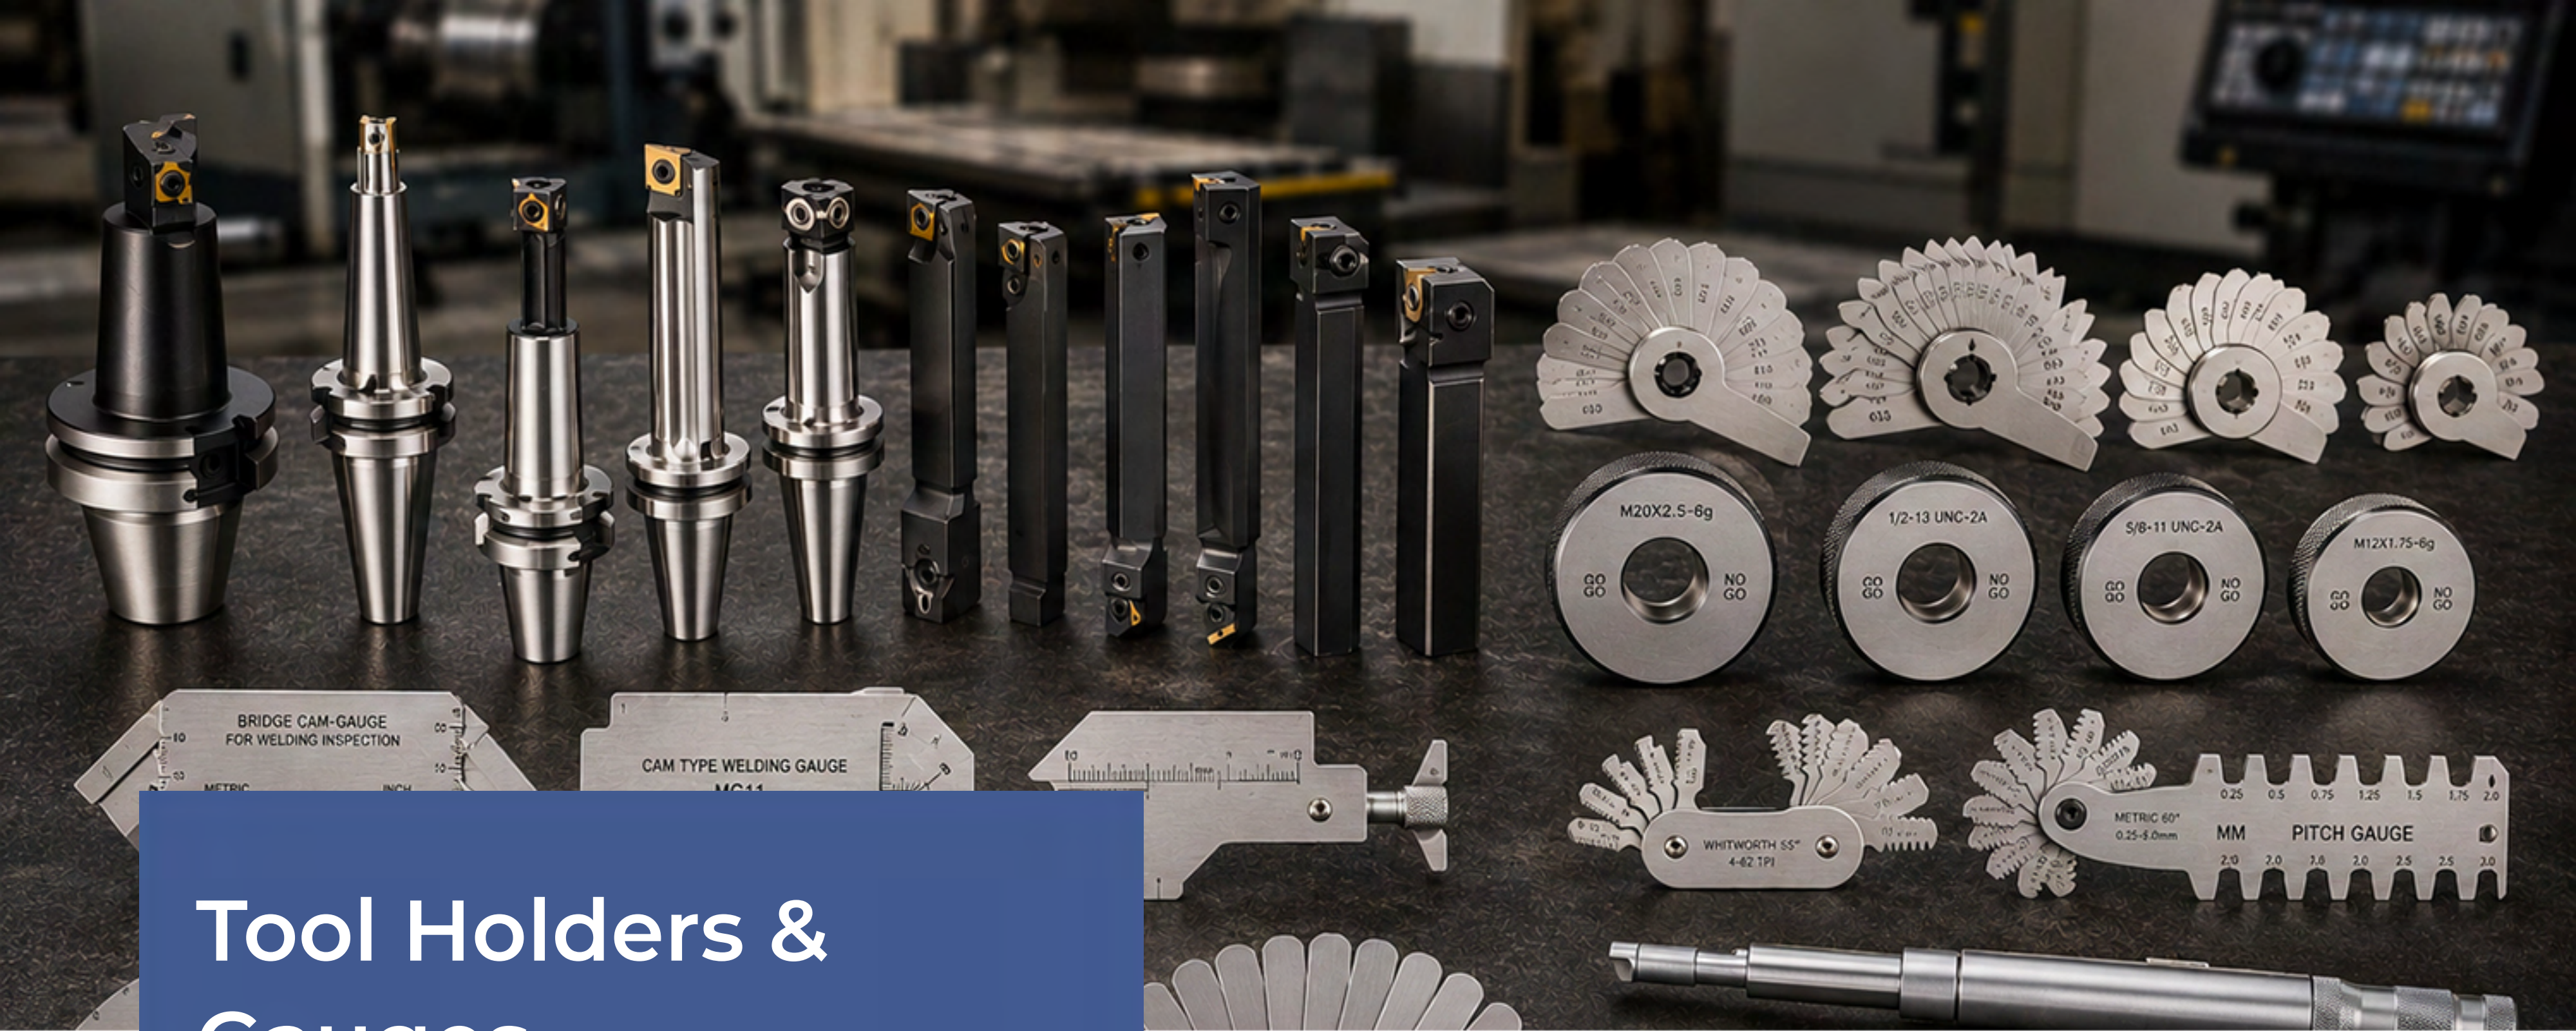

Offering high-performance CNC and cutting tools engineered for precision machining, productivity, and durability across modern manufacturing environments. Our solutions cater to a wide range of metalworking and industrial applications, ensuring efficient operations and superior finishing quality.

- HSS Core Cutter
- TCT Core Cutter
- Conical Carbide Burr
- Cylindrical Carbide Burr
- Carbide Inserts
- Turning Inserts
- Grooving Inserts
- Turning Inserts
- Threading Inserts
- Kyocera Cutting Tool Inserts
- CNC Inserts
- Thread Inserts
- Index-axle Inserts
- Tree Shape Carbide Burr
- Hand Taps & Dies

Brands We Deal

Tool Holders & Gauges

Supplying precision-engineered tool holders and gauges designed to enhance machining accuracy, operational stability, and quality control in industrial applications. Our range supports efficient tool management, measurement verification, and reliable performance across CNC and manufacturing environments.

- CNC Cutting Tool Holder
- Turning Holder
- Grooving Tool Holder
- Thread Gauge Miniature
- Thread Gauge Multi Start
- Thread Gauge Unified
- Thread Gauge Metric
- Tapper Gap Gauge
- Bridge Cam-gauge [for Welding Inspection]
- Cam Type Weldin Gauge Mg11
- Hi Low Gauge
- Automatic Weld Size Welding Gauge
- Pitch Gauge
- Telescope Gauge
- Feeler Gauges

Brands We Deal

Power Tools & Accessories

Providing robust power tools and high-precision drill bits built to deliver efficiency, durability, and superior performance for industrial and engineering operations. Our range is designed to support drilling, fastening, cutting, and fabrication applications across diverse manufacturing environments.

- Electric Hand Drill
- Rotary Hammer Drill
- Angle Grinder
- Circular Saw (Two Units)
- Chainsaw Petrol Engine
- Demolition Hammer / Breaker
- Core Drilling Machine
- Twist Drill Bits
- Standard Metal Drilling
- Masonry Drill Bit
- Auger Drill Bit
- Spade Bit
- Step Drill Bit
- Brad Point / Wood Drill Bit

Hand Tools

Offering a reliable range of industrial hand tools crafted for precision, durability, and everyday operational efficiency. Our solutions are designed to support maintenance, assembly, fabrication, and workshop applications across a wide range of industries.

- Pliers
- Screwdrivers
- Cable Cutters
- Bolt Cutters
- Crimping Pliers
- Tubing & Pipe Cutters
- Multi Tools
- Adjustable Wrenches
- Pipe Wrenches
- Combination Wrenches
- Gear Wrenches
- T-Handles
- Meaning Tapes
- Professional Squares
- Classic Box Levels
- Chalk Lines and Powders
- Pneumatic Tools
- True Laser Measurement
- Laser Leveling
- Retractable Knives & Blades
- Scrapers
- Bi Material Hand Saw
- Hack Saws Frames & Blades
- Ripping Bars
- Ripping Bars
- Pry Bars
- Hammers
- Staple Guns and Pins

Hand Tools

- Vices
- Snips & Scissors
- Standard Sockets
- Impact Sockets
- Ratchet Handle
- Hex/Allen Keys
- Torque Wrenches
- Air Tools
- Roller Cabinet
- Metal Tool Boxes
- Plastic Tool Boxes
- Tool Bags

Brands We Deal

Industrial Machinery

Providing durable and high-performance industrial machinery designed to support construction, fabrication, and heavy-duty operational requirements. Our range includes reliable equipment for compaction, concrete finishing, power generation, material handling, and industrial maintenance applications.

- Road Roller
- Asphalt Cutter
- Plate Compactor
- Jumping Compactor
- Power Trowel
- Concrete Vibrator
- Industrial Fan
- Water Pump
- Air Compressor
- Generators
- Tile Cutters
- Rebar Benders

Brands We Deal

Cleaning Equipment

Offering advanced cleaning equipment designed to maintain hygiene, safety, and operational efficiency across industrial, commercial, and facility environments. Our range includes reliable solutions for surface cleaning, maintenance, and heavy-duty sanitation applications with superior performance and durability.

- Floor Machines
- Carpet Vacuums
- Dryers
- Perfumes
- Pressure Washers
- Wet/Dry Vacuums
- Scotch Pads
- Automatic Scrubbers
- Cleaner Liquids
- Industrial Vacuum Machines
- Spare Parts

Flanges, Gaskets & Seals

Supplying high-quality flanges, gaskets, and sealing solutions engineered to ensure secure connections, leak prevention, and reliable performance in industrial piping and mechanical systems. Our products are designed to meet demanding operational standards across manufacturing, oil & gas, construction, and process industries.

- Gaskets, Seals & O-Rings
- Weld Neck Flanges
- Slip on Flanges
- Socket Weld Flanges
- Threaded Flanges
- Blind Flanges
- Orifice Flanges
- Long Weld Neck Flanges

Gauges, Shims & Mechanical Parts

Providing precision gauges, industrial shims, and essential mechanical components designed to ensure accuracy, alignment, and dependable performance in engineering and manufacturing applications. Our solutions support efficient assembly, calibration, maintenance, and quality control across diverse industrial sectors.

- Swagelok Gauges
- Winters Gauges
- Ami Gauges
- Wika Gauges
- 304 Ss Roll
- 316 Ss Roll
- Brass Roll
- Shims Customized Size To Match The Requirements

Brands We Deal

The logo for Winters Instruments, featuring the word "WINTERS" in a bold, red, sans-serif font with a white outline, and "Instruments" in a smaller, red, sans-serif font below it.

The logo for Wika, featuring the word "WIKAI" in a bold, blue, sans-serif font with a white outline, enclosed in a blue rectangular border.

The logo for Bendix, featuring the word "Bendix" in a bold, blue, sans-serif font with a white outline, and a blue curved shape below it.

The logo for Swagelok, featuring the word "Swagelok" in a blue, sans-serif font with a white outline.

Industrial & Hydraulic Hoses

Offering a comprehensive range of industrial and hydraulic hoses engineered for safe, efficient, and high-performance fluid transfer applications. Our solutions are designed to withstand demanding operating conditions across hydraulic systems, oil & gas, construction, manufacturing, and industrial processing environments.

Industrial Hoses

- Air & Multi-Purpose Hose
- Water Hose
- Chemical Hose
- Dock Oil Transfer Hose
- Flexible Composite Hose
- LPG Hose
- PVC Hose
- Layflat Hose
- Steam Hose
- Oil S&D Hose
- Cement Hose

Hydraulic Hoses

- Rubber Hydraulic Hose
- Thermoplastic Hydraulic Hose
- Teflon or PTFE Hydraulic Hose
- Return – Hydraulic Hose
- Truck Hose – Hydraulic Hose
- Braided Hydraulic Hose
- Corrugated & Articulated Hose
- Coiled Hydraulic Hose
- Blast Hose

Brands We Deal

Safety Equipment (PPE)

Providing certified personal protective equipment (PPE) designed to ensure workplace safety, operational compliance, and worker protection across industrial environments. Our range includes reliable safety solutions for head, eye, hand, respiratory, and body protection in demanding work conditions.

- Safety Shoes
- Safety Helmets
- Safety Goggles
- Harness & Lanyards
- Impact Gloves
- Smoke Detectors
- Dust Mask
- First Aid Kit
- Face Shields
- Ear Plugs
- Safety Clothes
- Safety Belts
- Safety Cones & Barriers
- Coveralls
- Emergency Lights

Brands We Deal

Lifting Equipment

Supplying robust lifting equipment engineered for safe material handling, heavy-duty lifting, and efficient industrial operations. Our range is designed to deliver reliability, strength, and operational safety across construction, manufacturing, warehousing, and engineering applications.

- Webbing sling
- Round sling
- Lifting sling with hooks
- Lifting chain
- Bow shackles
- Lifting hooks
- Eye hooks / grab hooks
- Lever hoist
- Chain pulley block
- Wire rope grips / clamps
- Full body safety harness
- Steel link assemblies
- Rigging hardware sets

Valves & Filters

Providing high-performance valves and filtration solutions designed to ensure efficient flow control, system protection, and operational reliability across industrial applications. Our range supports fluid management, pressure regulation, and contamination control in manufacturing, process, and engineering industries.

Types of Valves

- Double Block & Bleed Valves
- Check Valves
- Floating Ball Valves
- Trunnion Ball Valves
- Swing Check Valves
- Needle Valves
- Test & Tap Valves
- High Pressure Valves
- Gas Valves Regulators

Types of Filters

- A-LOK,CPI,MPI & Pipe Fittings
- Compressed Air & Gas Filters
- Hydraulic Filters
- Fuel Filters
- Transmission Filter
- Coolant Filters
- 2,3 & 5 Valves Manifolds
- Filter Elements

Brands We Deal

**BALON
VALVES**

Chemical & Lubricants

Offering high-quality industrial chemicals and lubricants formulated to enhance equipment performance, reduce wear, and ensure smooth operational efficiency. Our solutions support maintenance, protection, cleaning, and lubrication requirements across manufacturing, automotive, construction, and engineering industries.

- Industrial Lubricants
- Gear & Transmission Oil
- Loctites
- Contact Cleaner
- Coolant
- Corrosion Inhibitors
- Degreasers
- WD40
- CRC Contact Cleaner
- Mobil Oil Barrel

Brands We Deal

Special Grease

Providing premium specialty greases engineered for superior lubrication, thermal stability, and long-lasting protection in demanding industrial applications. Our solutions are designed to reduce friction, resist extreme operating conditions, and enhance the performance and lifespan of critical machinery and components.

- High Temperature Grease
- Lithoplex Pellet Mill Grease
- Hydraulic Oil
- Anti-Leak Industrial Oil
- Joint Compound
- Synthetic Gear Lube
- Twin Disc Fluid
- Turbine Drip Oil
- Anti-Seize & Thread Lubricants
- High-Temperature Sealants
- Thread Sealants
- Storage Compounds
- Drilling Compounds
- Greases

Brands We Deal

LUBRICANTS

JET-LUBE[®]

Packing Equipment

Offering efficient and reliable packing equipment designed to streamline packaging operations, improve productivity, and ensure secure product handling across industrial and commercial applications. Our range supports sealing, strapping, wrapping, and material packaging requirements with durable and high-performance solutions.

- Polycord Strapping Belt & Clips
- Polycord Strapping Machine
- Stretch Film Wrap
- Bubble Wrap Rolls
- Carton Box
- Pallet Edge Protectors
- Brown Kraft Roll
- 2 Ply Single Face Corrugated Roll
- White Paper Roll
- Wooden Pallet

Industrial Paints

Providing high-performance industrial paints and protective coating solutions designed to enhance surface durability, corrosion resistance, and long-term aesthetic finish. Our range supports industrial, commercial, and infrastructure applications with reliable coatings engineered for demanding environments.

- Industrial Paints
- Enamel
- Epoxy Coating
- Polyurethane
- Primer
- NC
- Thinner
- Roller
- Roller Handle

Brands We Deal

Spray Paints

Offering premium spray paints designed for smooth application, fast drying, and durable surface finishing across industrial, automotive, and maintenance applications. Our range delivers excellent coverage, protection, and aesthetic appeal for metal, wood, plastic, and general-purpose surfaces.

- Cold Galvanized Spray Paint
- Hot Galvanized Spray Paint
- Multipurpose Lubricants
- All Purpose Fast Dry Spray Paints

Electrical Materials

Supplying quality electrical materials and components designed to ensure safe, efficient, and reliable power distribution and electrical system performance. Our range supports industrial, commercial, and infrastructure applications with dependable solutions for installation, maintenance, and operational needs.

- All Types of Cables & Wires
- Cable Trays & Accessories
- Bulbs
- Circuit Breaker & Contactors
- Switches & Regulators
- Junction Box
- Flexible Conduit
- Plugs & Sockets
- Relays
- Transformers
- Terminal Rail Strip
- Heat Shrink Tubes
- Electronic Devices
- Emergency Lights
- Voltage Regulators
- Electrical Tools
- Digital Ammeter
- Electrical Tapes & Ties

Brands We Deal

Electric

ABB

PCE

Laboratory Products

Providing reliable laboratory products and scientific solutions designed to support accurate testing, research, quality control, and analytical applications. Our range includes essential laboratory equipment, instruments, and consumables tailored for industrial, educational, and research environments.

- Lab Equipment
- Refractometer
- Leak Detector
- Data Logging
- Multimeter
- Data Probes
- Polari Meter
- Gas Detectors
- Digital Sound Level Meters
- Vibration Level Measurement
- Environmental Monitoring
- Laboratory Microscope

Brands We Deal

FLUKE®

elcometer®

KLEIN TOOLS®

KYORITSU

sanwa®

Steel & Metals

Supplying high-quality steel and metal products designed to meet the strength, durability, and performance requirements of industrial, construction, and engineering applications. Our range supports fabrication, manufacturing, structural, and maintenance needs with reliable materials sourced to industry standards.

- Square Tube
- Rectangular Tube
- SS Tube
- SS Pipe
- U Beam
- Round Bar
- Square Bar
- Angle Bar
- Corrugated Sheet
- Flat Bar
- Grating
- Chequered Plate
- U Channel
- Aluminums Plate
- Beams

Wood Works

Providing quality woodwork solutions and woodworking materials designed for durability, precision craftsmanship, and functional applications across residential, commercial, and industrial projects. Our range supports fabrication, interior fit-outs, furniture, and custom woodworking requirements with reliable materials and finishing solutions.

- Ordinary Plywood
- Waterproof Plywood
- Finishing Wood
- Wooden Pallets
- Oak Wood
- Maple Wood
- Ash Wood
- MDF Boards
- Wood Glue
- Hinges
- Beading Roll
- Door Handle & Locks

Office Furniture & Workstations

Offering modern office furniture and workstation solutions designed to enhance comfort, functionality, and workplace productivity. Our range combines ergonomic design, durability, and efficient space utilization to support professional office, commercial, and industrial environments.

- Office Desks
- Ergonomic Workstations
- Office Chairs
- Screens
- Printers
- Cartridges & Inks
- Stationary
- Cables & Adaptors

INDUSTRIAL FABRICATION

Specializing in Aluminium, Stainless Steel, Carbon Steel

Delivering precision-engineered fabrication solutions for industrial excellence

OUR FABRICARION CAPABILITIES

We offer high-quality industrial fabrication services tailored to meet diverse project requirements. Our expertise includes

- Custom fabrication as per drawings
- Mechanical & welding Engineering
- Structural & Tools
- Mechanical Design & Drafting
- Machinery Maintenance & Relocation
- Welding & Machining
- General Fabrication

INDUSTRIAL FABRICATION WORKS

- Street Lighting Pole
- Camera Pole
- Traffic Signal Lighting Pole
- Highmast Lighting Pole
- Wind Sock Pole
- Antenna Pole
- Stanchion Pole
- Mechanical & Welding Engineering
- Structural & Tools
- Mechanical Design & Drafting
- Machinery Maintenance & Relocation
- Welding and Machining
- Workshop
- General Fabrication
- Lighting Poles
- Lathe
- Milling
- Surface Grinding
- Laser Cutting
- Bending
- Assembly

MACHINE SHOP SERVICES

Our team of experienced machinists is equipped to handle components of all sizes, from small precision parts to large industrial items. Using advanced machines such as lathes, milling machines, drilling, and boring equipment, we ensure accuracy and quality in every job.

With strong technical expertise and hands-on experience, we manufacture complex and detailed components to meet your exact requirements. We also collaborate closely with clients for both production and research & development projects, delivering reliable and practical solutions.

- Lathe
- Milling
- Surface Grinding
- Laser Cutting
- Bending
- Assembly
